### PRODUCT DESCRIPTION

The ESS 5B™ is far more than just another sunglass. With ballistic lenses, universal-fit frames, distortion-free optics and all-day comfort, the 5B™ is the true embodiment of functional, fashionable eye pro. Designed to provide superior impact protection without interfering with your other gear, the innovative 5B™ represents the culmination of years of intense listening to customer feedback. The end result is a sunglass you'll trust just as much on duty as off. Universal-Fit
